

KEITH FRITZ

KEITH FRITZ

Grecian

The inspiration for this piece came from our love of the Neo Classical art of the early 19th Century. Clean curved lines echo those of a Grecian urn while the overall piece presents a serene and sculptural silhouette. The table is shown here in Antique Pearwood with polished brass castors. The Grecian is also shown in Natural French Walnut and Golden Cherry on Zebrawood with Espresso Border and Base.

ROUND TABLE SIZES:

(Option: Accepts up to one 22" Leaf / All Other Custom)
