

Trio

Bold curves set the jazz-age contours of this Regency-inspired piece, updated for the contemporary eye. Silky and coy, this flexible occasional table lends a martini sensibility to nearly any setting. The piece is shown in Natural French Walnut and Natural Santos Rosewood with a designer supplied "Ostrich" top.

The Trio is also shown as a 'Senior' in Natural French Walnut, Golden Cherry on Walnut with Natural Santos Rosewood Inserts.

Available in 1st Level and 2nd Level woods
