

KEITH FRITZ

Ramsey

This table represents a bare-bones fusion of classic and modern design. Crafted in bold, solid angles, the table displays the geometric simplicity seen when all excesses of a piece are swept away, leaving only the essential form. The piece is shown in Chocolate Rosewood with dual French Walnut pedestals. It is also shown in Espresso on French Walnut with Frosted Mirror Glass Inserts.

Available in all woods and finishes.

The base is available in Walnut or Cherry in the correlating finish to the face veneer selected
